

INDEPENDENT AUDITORS' REPORT

Mr. Martin J. Benison, Comptroller
The Commonwealth of Massachusetts

We have audited the accompanying general purpose financial statements of the Commonwealth of Massachusetts (the "Commonwealth") as of June 30, 2000, and for the year then ended as listed in the foregoing Table of Contents. These general purpose financial statements are the responsibility of the management of the Commonwealth. Our responsibility is to express an opinion on these general purpose financial statements based on our audit. We did not audit the financial statements of the institutions of higher education and their blended component units listed in Note 1 which reflect 100% of the total assets and 100% of the total revenues of the University and College Fund Type. We did not audit either the financial statements of the Massachusetts Municipal Depository Trust, as they relate to the External Investment Trust which is an investment pool for political subdivisions of the Commonwealth, or the financial statements of the Pension Reserves Investment Trust which is the investment vehicle of the Commonwealth's Pension Trust Funds, the financial statements of which reflect 78.4% and 84.0%, respectively, of the total assets and total additions of the Fiduciary Fund Type. We did not audit the financial statements of the discretely presented component units listed in Note 1 which reflect 99.1% of the total assets and 93.7% of the total revenues of the discretely presented component units. Those financial statements were audited by other auditors whose reports thereon have been furnished to us, and our opinion, insofar as it relates to the amounts included for the entities not audited by us included for the University and College Fund Type, Fiduciary Fund Type, and the discretely presented component units referred to above, is based solely on the reports of the other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit and the reports of the other auditors provide a reasonable basis for our opinion.

In our opinion, based upon our audit and the reports of the other auditors, such general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Commonwealth as of June 30, 2000, and the results of its operations and the cash flows of its Internal Service Funds, Nonexpendable Trust Fund, and discretely presented component units for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund statements and account group schedules, listed in the Table of Contents, are presented for the purpose of additional analysis and are not a required part of the general purpose financial statements of the Commonwealth. These statements and schedules are also the responsibility of the management of the Commonwealth. Such additional information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, based on our audit and the reports of other auditors, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

The data included in the introductory and statistical sections of this report is presented for the purpose of additional analysis and is not a required part of the general purpose financial statements of the Commonwealth. Such additional information has not been subjected to the auditing procedures applied in our audit of the general purpose financial statements, and accordingly, we express no opinion on it.
